

Don't Go Near The Water

par Alan Jardine/Mike Love, The Beach Boys

Don't go near the water
Don't you think it's sad
What's happened to the water
Our water's going bad

Oceans, rivers, lakes and streams
Have all been touched by man
The poison floating out to sea
Now threatens life on land

Don't go near the water
Ain't it sad
What's happened to the water
It's going bad

Don't go near the water
Don't go near the water

Toothpaste and soap will make our
oceans a bubble bath
So let's avoid an ecological
aftermath
Beginning with me
Beginning with you

Don't go near the water
To do it any wrong
To be cool with the water
Is the message of this song

Let's all help the water
Right away
Do what we can and ought to
Let's start today

Crazy Water

Musique par Elton

Taupin

On a bench, on the beach
Just before the sun had gone
I tried to reach you
Plain faced and falling fast
You looked so vacant like an empty shell
Whose life had passed upon the ocean

Before light shook the sky
Down by the docks I saw
The masts unfolding
Don't turn away, please understand
It's a life and a living
And a way to keep the wolves away
From hungry hands, from hungry hands

Crazy water
Takes my fishing boat on Monday morning
Dangerous dreaming
If we all believe in the things you believe you're seeing
Oh we'd never drop our nets in the crazy water, crazy water

Tangled lives, lonely wives
Shoreline widows pray
For the souls of missing whalers
Endless nights on an endless sea
Where nothing lives between us
Just the breakers on the ocean
Separating you and me
Separating you and me
